Attendance

High Attendance = High Achievement

We ask our learners to all aim for 100% attendance (98% is our minimum expectation). Learners need to be in school and be on time to get the best grades and go for their Gold progress targets.

News from our Head's office:

Year 10

Congratulations to our Year 10 learners as the positive feedback from employers about their work experience continues to flood in. The boys did superbly well in experiencing the world of work and were tremendous ambassadors for our school. Employers have commented on their smart dress, positive and mature attitudes and their professionalism. Well done boys.

Our thought for the week

“By failing to prepare, you are preparing to fail”

Parking

We would like to politely request that all parents and carers please ensure they show respect to our local neighbours by not blocking their driveways when they bring learners to school or pick them up on an evening. Thank you in advance.

Student Leadership Group

Calling all learners: Please make sure you write your homework in your planner so that you know what to do and you know when to hand it in. You can also show your parents exactly what you are doing in school and the progress you are making.

Assessment Point 4

Going for Gold.

Teachers have now inputted assessment point 4 data and you will shortly be receiving a copy of your son's latest progress data. Find out whether he has met those Silver (4 levels progress) or even better Gold (5 levels progress targets). His effort levels should all be graded 1 or a 2.

Calling all parents/carers:

Please avoid taking holidays during term time as each day lost from school is a lost day of learning and this has a negative impact on your son's progress in school. We know the flights are cheaper but a high quality education is absolutely priceless! Thank you.

Year 10 Learners

Thursday 14th May is Parents' Evening for our Year 10 learners from 4-6pm. We hope to see all of our Year 10 parents there. Please make your appointments as soon as you can. This is a super opportunity to see if your son is achieving his Gold targets in every subject.

Parent Pay

If you haven't registered on Parent Pay yet then get signed up. It's free and much easier than needing to have cash every day. Plus you can pay for schools trips and visits and check online to see what your son eats every day.

Governor Update:

Governors have visited school last week to review our Pupil Premium learner progress and the work of our Year Teams. Tremendous progress made in both areas. Well done to staff and students and keep up the great work.
