Our thought for the week

Well done rocket scientists

Well done to our Key Stage 3 rocket scientists who entered the national rocket launching competition again this year. A superb experience was had by all. Our team was running in 4th place when disaster struck and the payload broke. However this year we beat the local grammar school as well so really well done to our BBEC team. Fantastic job! Well done to Mrs Dent and Mr Sherrard for organising this super learning experience for our boys.

Student Leadership Group

Well it is finally here the week of the businessman's dinner. Book your limo, iron your suit and clean your shoes. The biggest celebration BBEC has ever seen takes place this Friday for all of our Year 11 students. See you all there. We expect to see the staff in their smartest dresses and tuxedos as well.

New School Uniform

From September 2015 our school will be rebranding for a new exciting, more modern image and we will be called 'Upper Batley High School'. This week we will have the information about the new uniform. The uniform is compulsory for all new Year 7 students. All other students (Years 8 - 11 in September 2015) need to buy the new school tie and will get a free logo to sew onto the blazer. The new blazer and PE kit will be compulsory for all students from September 2016. You can buy this now if you wish, it does look great. Watch this space for further details!

Attendance is the key to success

Your son needs to be in school for every lesson of every day for him to achieve his full potential.

Please ensure you make any medical / dental appointments outside of school hours. This also includes a check-up at the opticians. We thank you in advance for your support.

**High attendance=
High achievement**

Going for Gold

Have a look in your son's planner every week and check his interim grades report.

Your son should be working towards his silver targets and gold targets now . If you have any questions please contact his Year Leader for further details.

If you haven't registered on Parent Pay yet then get signed up. It's free and much easier than needing to have cash every day. Plus you can pay for schools trips and visits and check online to see what your son eats every day.

Governor Update:

We had an external review on Thursday 4th June and the feedback was fantastic. Two Ofsted trained inspectors conducted the review and said our school has been transformed this year and standards would now be good in every area. Well done to the BBEC team!
