### Assessment Point 4

#### Going for Gold

Teachers have now inputted assessment point 4 data and you will shortly be receiving a copy of your son's latest progress data. Find out whether he has met those Silver (4 levels progress) or even better Gold (5 levels progress targets). His effort levels should all be graded 1 or a 2.

### Calling all parents/carers:

Please avoid taking holidays during term time as each day lost from school is a lost day of learning and this has a negative impact on your son's progress in school. We know the flights are cheaper but a high quality education is absolutely priceless! Thank you.

### Year 8 Parents

Thursday 21<sup>st</sup> May is Parents' Evening for our Year 8 learners from 4-6pm. We hope to see all of our Year 8 parents there. Please make your appointments as soon as you can. This is a super opportunity to see if your son is achieving his Gold targets in every subject.

## Parent Pay

If you haven't registered on Parent Pay yet then get signed up. It's free and much easier than needing to have cash every day. Plus you can pay for schools trips and visits and check online to see what your son eats every day.

## Governor Update:

Governors are really impressed with the progress our learners are making in all five year groups towards their Gold targets. Our Chair of Governors Mr Alvy said 'Our boys are hard working, dedicated and a real credit to themselves and their families.'
