“Stand up, be bold, be strong. Take the whole responsibility on your shoulders, and know that you are the creator of your own destiny. Therefore, make your own future.”

Year 8 Parents' Evening Thursday 21st May

4-6pm Main School Hall

Can all parents/carers please book your appointments now. Has your son reached his Gold targets yet this year?

Thank you Parents / Carers

I'd like to say a huge thank you to all of our parents and carers who attended the Year 10 Parents' Evening on Thursday. We had a record turnout and it was wonderful to see so many parents taking a keen interest in the progress their son is making in school. The key to real success in school is effective communication between school and home throughout the year.

Ms S Vickers
Head Teacher

Assessment Point 4

Going for Gold

Have a look in your son's planner and check his interim grades report. His effort grades should be all 1 or 2 grades (no 3 or 4 grades or your son is not trying his best).

We hope your son is working towards his silver targets and gold targets now. If you have any questions please contact his Year Leader for further details.

Calling all parents/carers:

Please avoid taking holidays during term time as each day lost from school is a lost day of learning and this has a negative impact on your son's progress in school. We know the flights are cheaper but a high quality education is absolutely priceless! Thank you.

Year 7 & 8 Parents/Carers

The first week back after half term is exam week for year 7 and 8 students. They will be completing examinations in every subject during lesson time. Please ensure they are well prepared by getting a good night's sleep before the exam and a good breakfast in the morning. Good luck boys.

Parent Pay

If you haven't registered on Parent Pay yet then get signed up. It's free and much easier than needing to have cash every day. Plus you can pay for schools trips and visits and check online to see what your son eats every day.

Governor Update:

Governors are really impressed with the commitment our Year 11 boys are showing to their studies. GCSE exams are now underway and there are Master Classes running over half term. Parents/ carers check your son's planner to see the sessions he should attend.
