Well done Blenheim- Best in every category!

News from our Head Teacher:

We are delighted to announce that Upper Batley High School has been selected to be part of a national case study due to the rapid progress we have made in every area over the last 12 months. A short film has been produced that outlines our journey so far.

Watch the film at <https://vimeo.com/142257436> to see the Upper Batley High School story so far.

Ms S Vickers - Head Teacher

Our thought for the week

There are many languages in the world but the one that is universal is love.

PE Kit

Every learner in every year group needs their full new PE kit by Monday 2nd November.

All learners need to have their full PE kit by **Monday 2nd November 2015**. That gives parents / carers two more weekends and October half term holiday week to get everything they need.

Online Admissions for September 2016 - Places filling up fast!

If you have any friends or relatives with sons who are starting secondary school in September 2016 please remind them to apply on line for Upper Batley High School as places are going fast. We can support with the admissions process if anyone needs it and we have computers available with internet access. Just give us a call and we can help.

News from our Head Boy and Prefects:

Now the PE kit is all fully in stock at Rawcliffes, Dewsbury please ensure you all buy everything you need before Monday 2nd November.

Also, now the weather is getting colder remember if you want to wear a jumper you need to have the school v neck black jumper with the UBHS logo.

Mohammed Raja - Head Boy

Fri 6 th Nov	Futsal

Calling all parents and carers!

UPPER BATLEY HIGH SCHOOL NEEDS YOU!

We are starting a new parents' forum on Monday 16th November 6-7pm. We hope any parents who are interested in helping move our school even further forward will be willing and able to join us. We have already made more progress than any other school in Kirklees over the past 12 months so the world is our oyster now! The purpose of this group is to think of innovative and creative ways to further develop our site and facilities and it is an opportunity for parents and carers to meet staff and governors and support the development of our wonderful school. We hope you can make it.

Sensational Science Club

Monday
19th October.
Harry Potter
potions class.

Upper Batley High School is the School of Choice for High Achieving Boys.

Going for Gold

As you will be aware from our Going for Gold target setting day on 2nd September your son is aiming to **be the best that he can be** in every subject he studies. Teachers are currently inputting your son's progress data for the first half term and you will soon be able to see how well he is progressing towards achieving those Gold targets by July 2016. We analyse the progress data every 7 weeks and look at your son's attendance, progress, strengths and effort grades. **You will receive the first data report sheet the week beginning 2nd November 2015.**

News from our School Council:

We are currently visiting our primary schools to meet Year 5 & 6 students and their parents. It has been great fun to see our old teachers and show off our new school uniform. We are really proud of our school and it's nice to meet the boys who will be joining us next September. Thanks to all of the boys who are giving up their time to help out during these evening events.

News from our Governors:

We had the AGM of the UBHS governors last Thursday and all governors are linked to key areas of school improvement and every department. Our Deep Dive visits to school have commenced and we have been incredibly impressed by the high standards we have seen in school.
