Our students **achieve above** the figures deemed to be above average nationally. So BBEC boys are really flying! Well done to everyone!

Parking

We would like to politely request that all parents and carers please ensure they show respect to our local neighbours by not blocking their driveways when they bring learners to school or pick them up on an evening. Thank you in advance.

Student Leadership Group

Calling all learners: Please make sure you write your homework in your planner so that you know what to do and you know when to hand it in. You can also show your parents exactly what you are doing in school and the progress you are making.

Assessment Point 4

Going for Gold

Teachers have now inputted assessment point 4 data and you will shortly be receiving a copy of your son's latest progress data. Find out whether he has met those Silver (4 levels progress) or even better Gold (5 levels progress targets). His effort levels should all be graded 1 or a 2.

Calling all parents/carers:

Please avoid taking holidays during term time as each day lost from school is a lost day of learning and this has a negative impact on your son's progress in school. We know the flights are cheaper but a high quality education is absolutely priceless! Thank you.

Year 11 Learners

If your son still hasn't got his revision guide please see his class teachers, or Mrs Fox the Year 11 Year Leader. It is not too late to prepare well now for the GCSEs that start in just a few weeks' time! May 12th is the first GCSE exam.

Parent Pay

If you haven't registered on Parent Pay yet then get signed up. It's free and much easier than needing to have cash every day. Plus you can pay for schools trips and visits and check online to see what your son eats every day.

Governor Update:

Well done to all our staff and learners for the part they played in our external review of Pupil Premium. We received excellent feedback and **BBEC is ABOVE** the national average in every measure for the progress our PP / disadvantaged learners make. Well done boys!
