News from our Head's office:

Celebrity Chefs

Our school was incredibly fortunate last week to have two highly acclaimed chefs working with our students to prepare a meal to feed the school. Our boys met the chefs on Tuesday morning and they prepared and cooked an amazing meal that was served in our very own Bistro at lunchtime. We have some incredible culinary talent amongst our students and the food was fantastic. Well done to all the boys involved and to Mrs Brookes and Mrs Goldthorpe.

Our thought for the week

“Education is the most powerful weapon we can use to change the world.”

New School Uniform

The new school uniform and superb PE kit (all designed by our talented Student Leadership Group in discussion with their peers) is available now to buy from Rawcliffes in Dewsbury. You can pick up an order form from Mrs Whiteley if you would like to order it directly from school instead. It looks tremendous. Watch this space for further details!

New Uniform

Well done to all of the boys who have been modelling our new school uniform and PE kit during assemblies last week. We have worked hard as a student team to design the new school name and logo and seeing it produced as the new uniform is amazing. Well done to all students who contributed in this. We have modernised our school and have a PE kit fit for champions. It is such a shame I won't be able to wear it in September. We need a sixth form at BBEC!

Governor Update:

We have just updated our school website with information about our governors and how they are helping to bring about rapid progress in our school. Have a look at the website if you would like any further information.
