Well done to 11 HY& OL Best Attendance
Well done to 11 Howley Most Positive Sleuths
Well done to 11 Blenheim Zero lates
Well done to 11 Blenheim Lowest Negative Sleuths

News from our Head Teacher:

Thank you to all parents who attended our KS4 Progress Evening last Thursday. This was an important evening for parents of our Year 10 and 11 boys to see how well their son is progressing now towards his Silver and Gold targets. We have had 10 teaching weeks now this year and we expect every boy to have effort grades of either a 1 or a 2. Working hard throughout the year is how your son will achieve the best GCSE results possible.

Ms S Vickers - Head Teacher

(Our Learning)

(Our Teachers)

Our thought for the week:

I want but do I need?

Children in Need- Friday 13th November

PE Kit

Every learner should now have their full PE kit.

We are the school of choice for high achieving boys.

GCSE Revision Guides

The **GCSE revision sessions (Master Classes)** have already commenced in most subjects. Boys should see their teachers for details of when to attend. These sessions run both before and after school. These are provided for **free** for our boys by subject specialists.

Also **students should have a revision guide for every subject** and these are available to buy from class teachers. Don't wait until the exams start- buy your revision guide now.

News from our Head Boy and Prefects:

This week we will be selling poppies in school as part of our remembrance theme this week. This is a crucial time for us all to think about of the people who have lost their lives during times of conflict and to all of their families and loved ones. Please dig deep and give generously to support this important appeal. Also, our school council are collecting for Batley Food Bank. Thank you to staff, students and parents who have donated generously for these two worthwhile causes.

Mohammed Raja- Head Boy

Fri 20 th Nov	Futsal

Calling all parents and carers!

UPPER BATLEY HIGH SCHOOL NEEDS YOU!

We are starting a new parents' forum on **Monday 16th November 6-7pm**. We hope any parents who are interested in helping move our school even further forward will be willing and able to join us. We have already made more progress than any other school in Kirklees over the past 12 months so the world is our oyster now! The purpose of this group is to think of innovative and creative ways to further develop our site and facilities and it is an opportunity for parents and carers to meet staff and governors and support the development of our wonderful school. We hope you can make it.

Sensational Science Club

Fireworks Themed

Monday 9th November 3.10-4pm

Year 11 Learners

Make sure you attend all of your afterschool master classes.

Going for Gold

When you receive your son's first progress report this week please check it carefully. Does your son have the following:

Attendance= 98% or higher

Positive Sleuths= lots of these

Negative Sleuths= not many of these (should certainly not be more than 19 at this time of the school year)

Effort Grades= Grades 1 or 2 for every subject

Please call your son's Year Leader if you have any questions.

News from our School Council:

We are proud to announce our Charter Ceremony for the Upper Batley High School Interact Club is being held on Friday 27th November at 9.30am in the main school hall. Invitations have been sent out and we hope all parents, staff and dignitaries will be able to attend.

News from our Governors:

Upper Batley High School is going from strength to strength due to the fantastic students we have, the expert staff team and it is wonderful to see this recognised at a national level. We are the school of choice for high achieving boys. Watch our case study on the school website if you haven't seen it yet. We've even had a great tweet about our outstanding progress from Jo Cox our local MP.

Ms Claire Geisler
Chair of Governors
