News from our Head Teacher:

A group of our hard working learners (and staff) visited Old Trafford again last week, to see their favourite team play, as part of our rewards programme. Well done to all of the boys who have worked hard, behaved well have excellent attendance and made a lot of progress in the first 7 weeks of the new school year. AP2 data is now being collected and we look forward to seeing who have made the most progress this term.

Our thought for the week

A leader builds a path for their people to walk on.

Sponsor an Animal in the Barnyard

If you are stuck for the perfect Christmas Gift then why not sponsor an animal in our Barnyard. You get to choose your animal, name him or her, the opportunity to visit and regular updates about how well he or she is doing. It really is the perfect gift!

Just email Miss Jackson on kiackson@ubhs.co.uk for further details.

News from our Head Boy and Prefects

This week sees our enterprising learners planning for the Tenner Challenge event on Wednesday 7th December. The four houses (Freedom, Law, Respect and Democracy) are battling it out business style, to see who can convert £10 into the most profit (hence the tenner challenge). All profits received will go to our Barnyard and the Alzheimer's Association. Good luck boys!

Assessment Point 2

Over the past few weeks we have been asking you to monitor your son's progress towards his Gold targets. Our mission in school is always to push your son to achieve the best results he possibly can for attendance, punctuality, behaviour and progress in every subject area. Every 7 weeks we collect data on all of these measures and we share with you an interim report of his progress.

You will have reviewed AP1 and hopefully set your son targets for AP2.

There is now only 2 weeks until the staff will have inputted all of the data for AP2. This is when your son should be achieving at least his bronze targets. We expect him to get Gold by summer 2017.

Going for Gold

Ensure your son gets there by July 2017

Would you like to teach?

If you have always liked the idea of teaching but haven't yet applied, then the Green Light Teaching Alliance is currently recruiting future teachers. See the website for further details. You won't find a more exciting or rewarding career anywhere.
