News from our Head Teacher:

This week we are asking all parents to go through your son's progress data with him to see how much he achieved in his first half term at Upper Batley High School this year. His attendance needs to be at least 98% and he should have very few negative sleuths. Is he on track to meet those Gold targets by July 2017?

## Parking

Please **drop boys off at the bottom of the drive** before and after school. We would also like to respectfully remind all of our parents and carers to drive responsibly and park respectfully when they drop children off at school and pick them up at the end of the day.

We have a very good relationship with our local residents and it is important **not to park across driveways, block roads etc.** Thank you for co operation on this.

### News from our School Council:

**Our School Council have been elected and they are starting their fundraising for refurbishing the main school toilets. If you can contribute in any way please do and make your donations to Mrs Khan. Even just £1 can make a big difference. Thank you.**

### News from our Governors

The progress your son makes each week in school is crucial to him achieving GCSE success at the end of year 11. His attendance needs to be at least 98% as every lesson counts. Please check your son's interim grade report and ask us if you have any questions.

## Assessment Point 1 October 2016

You should receive your son's progress data this week for the first half term. Your son must make at least 2 sub grades progress every year and he receives extra positive sleuths for making fantastic progress (Gold progress). The more progress the more sleuths he receives! These interim grade reports are a key part of our Going for Gold achievement challenge and your son's progress is rigorously monitored throughout the school year. Please contact Mr Hazelwood or your son's year leader if you have any questions.

Progress	Sleuths	Effort	Sleuths
Platinum	500	Outstanding	100
Gold	250	Good	50
Silver	100	RI	0
Bronze	50	Inadequate	0

If your son receives an RI or I effort grade then the Year Leader will be contacting parents to discuss next steps.
