News from our Head Teacher:

Over the next two weeks we are promoting our reading scheme with our 7-10 learners. Accelerated Reading is a taught lesson each week and all of our boys must have a book with them every day. A minimum of 30 minutes reading is expected every day and regular progress quizzes are taken.

News from our Head Boy and Prefects

Thank you to all of the staff and learners who attended the GCSE geography trip to Castleton on Friday. This is part of the learner's coursework and a super time to ensure you achieve top marks and a high GCSE grade next summer.

Parking

Please **drop boys off at the bottom of the drive** before and after school. We would also like to respectfully remind all of our parents and carers to drive responsibly and park respectfully when they drop children off at school and pick them up at the end of the day. We have a very good relationship with our local residents and it is important **not to park across driveways, block roads etc.** Thank you for co-operation on this.

News from our School Council:

Our School Council representatives for 2016-17 are currently being selected and we eagerly await the outcome to see who our new team is for this year and what skills they will bring. Watch this space!

News from our Governors

I would like to thank all of the staff for their fantastic commitment to our school. Staff have already started to deliver the breakfast classes for boys in Science the afterschool sessions in Maths, DT and Computing. The on-going PIN marking helps boys to know what they need to do to improve.

Chair of Governors**

New PE Kit

Every learner should now have full PE kit. If your son does not have his PE kit then he will receive a one hour detention after school and a negative sleuth. Thank you for your cooperation on this.

Dress smart = Think smart

Enrichment Activities

Over the next couple of weeks more and more activities and clubs will be joining our afterschool offer for boys. There will be something on offer for everyone! These enrichment activities are designed to help develop social skills, problem solving skills and really develop boys' full potential. Sign up now!
