Runners up: Freedom

### Least Lates

Winners: Democracy  
Runners up: Law

### Most Positive Sleuths

Winners: Democracy  
Runners up: Law

### Lowest Negative Sleuths

Winners: Law  
Runners up: Respect

### News from our Head Teacher:

This is another exciting week at UBHS. Our year 11 boys have their mock examinations; our year 10 boys are out of school tasting the real world as they venture out on work experience and on Thursday 16<sup>th</sup> March a group of our boys will be going to the BBC studios for the BBC School News Report.

Head Teacher S.Vickers

### Our thought for the week

If you cannot do great things, then do small things that are great.

## Futures Evening

On Tuesday 14<sup>th</sup> March we are hosting our annual Futures Evening. This event runs from 5.30-7pm and the Headteacher's Address will start promptly at 6pm.

This evening is an opportunity for our year 8 and 9 boys, together with their parents, to find out more about their GCSE option choices for September 2017.

### News from our Head Boy and Prefects

#### Year 10 boys and their parents:

Our Year 10 learners are all out on their work experience this week and we hope they have a fabulous time. This week is an opportunity for them to experience the world of work and hopefully get a taste of their chosen future career.

Atyab Ranguni- Head Boy

Thu 16th Mar	Computing (Yr 7,8 & 9) Science Club (Yr 7 & 8)
Fri 17th Mar	Futsal KS4

### Indiability

There will be a cake sale on Wednesday morning break for Indiability. See Mrs Dent with the team outside of Learner Services (near the green benches).

### AP3 Data

Our AP3 (Assessment Point 3) will be sent through to all parents shortly. At this point in the school year we expect your son to have met, or exceeded, his bronze target if he is to be on track to reach Gold by the summer 2017.

## Career Pathways

In January 2017, Upper Batley High School launched our brand new Career Pathways initiative. This week is national careers week.

As you will be aware we have developed individual bespoke Career Pathways for our learners that are used to deliver tailored advice on a regular basis through our **Aspire** programme.

This week we will be taking it a step further by delivering specific Careers information within each department. This will inform our learners about opportunities within that particular area of study, and the variety of Careers available.

It is our vision at UBHS to embed Careers education into everything we do to help our learner's progress, achieve and be **'Tomorrows Successful Men.'**

As part of our drive we have developed a Careers logo that has the school badge at the heart of it, encompassed by a careers circle that informs and drives learning at UBHS.

N Sherrard

### News from our School Council:

This term sees us continue to raise money for our new school toilets which we would love to have in place by Easter 2018. If you are able to support our fundraising efforts please do- every little helps! If everyone just gave £1 then we would instantly have another £600 in the pot!

School Council

### News from our Governors

We would like to respectfully remind all parents to park safely and thoughtfully when dropping boys off at school on a morning and on an evening.

Please do not block the drive ways of local residents or park illegally or dangerously. Thank you.
